DUA FOR THE SUFFERING OF THE UMMAH IN LAYLATUL QADR

O Allah, Islam has not become weak. We have become weak..

O Allah, we know that we are suffering because of our sins.

O Allah, You sent the Qurane Paak for our guidance.

O Allah, Rasulullah (SAW) left us His beautiful Sunnah.

O Allah, we know that we have distanced ourselves from the Qur`an and Sunnah and as a result we are suffering everywhere in the world.

O Allah, just as Rasulullah_{saw} predicted, the enemies of Islam are calling one another to join in devouring the Ummah. But O Allah, You are our Protector.

O my Kareem Allah, the enemies of Islam have ganged up against the Muslims. Even Muslim governments have joined their alliances and coalition.

O Allah, the enemies of Islam have become one and we, who are the Ummaties of Rasulullah (SAW) are becoming more and more divided and disunited.

O Allah, unite the entire Ummat.

It tells of the life of the Prophet (peace be upon him), the lives of the companions and their lives in various other important positions of life (not only the Holy Prophet, but also his ancestors, their great-grandparents, their great-great-grandparents, and their great-grandparentes) as narrated by the Holy Muslims. It speaks of the Prophet (peace be upon him), of his companions and his companions' companions. It speaks of the life of the Prophet (peace be upon him), his life as a Jew by religion (Islamic jurisprudence), Judaism by the Holy Prophet (peace be upon him), the life of the followers who follow Islam, his followers, his people from among the followers, his life in the mosque, the life of his family, his relations and his friends.
